LACAMAS COMMUNITY CREDIT UNION GIVES HOLIDAY DINNER BASKETS TO MEMBERS

December 30, 2009— Lacamas Community Credit Union held its Holiday Dinner Basket giveaway to benefit members in need during the holiday season. The Credit Union allowed members to nominate fellow member families in need and distributed baskets that contained non-perishable foods, such as stuffing mix, gravy and cranberry sauce, for a festive holiday dinner. The dinner baskets also included gift cards to purchase fresh grocery items and a gas card.

“Especially in this economy, we felt compelled to give back in a tangible way to our members in need. We hope that these families will be able to enjoy a nice holiday dinner with all the trimmings,” said Kathleen Romane, President/CEO. LCCU donated a total of 23 dinner baskets to members.

The Credit Union started its holiday dinner basket program last year, as part of its Community Partnership fund, which benefits local charities. Throughout the year, LCCU raises money for its Community Partnerships through sale of Entertainment Books, skip payment programs and other efforts.

Lacamas Community Credit Union was the first credit union established in Southwest Washington, chartered in 1936. The credit union serves anyone who lives or works in Southwest Washington. A full-service financial institution, LCCU serves its members through six convenient branch locations and online banking. For more information about Lacamas Community Credit Union, visit our web site at www.lacamas.org, or call (360) 834-3611 or (888) 834-3611.
