press release

**LACAMAS COMMUNITY CREDIT UNION  
DONATES \$3,000 TO CAMAS WASHOUGAL COMMUNITY CHEST**

May 11, 2009—Lacamas Community Credit Union (LCCU) donated \$3,000 to the Camas Washougal Community Chest at a check presentation on May 1<sup>st</sup> at the credit union’s Washougal Branch. LCCU President/CEO Kathleen Romane presented the check to Community Chest board members Jerry Moss, Bob Howe and Dave Pinkernell.

“Because the Community Chest supports many smaller organizations, our donation benefits a broader spectrum of people in our communities,” said Romane. “Especially in these economic times, we are confident that our contribution will truly help those in need.”

The credit union selected the organization to be one of its 2009 Community Partnerships—groups that benefit from LCCU’s fundraising efforts. Throughout the year, the credit union raises funds for its Community Partnerships through sale of Entertainment Books, skip payment programs and other efforts.
