**LACAMAS COMMUNITY CREDIT UNION DONATES \$3,000 TO
STEVENSON-CARSON SCHOOL DISTRICT**

October 13, 2009—Lacamas Community Credit Union (LCCU) presented a donation check for \$3,000 to the Stevenson-Carson School District as part of the credit union's 2009 Community Partnership Program. LCCU President/CEO Kathleen Romane presented the check to district representatives at a student assembly at Stevenson High School on September 25, 2009.

"It is rewarding to contribute funds to this school district, knowing that our donation will have a tangible benefit for these students and this community," said Romane.

LCCU's Community Partnerships are a group of area organizations that benefit from LCCU's fundraising efforts. Throughout the year, the credit union raises funds for its Community Partnerships through sale of Entertainment Books, skip payment programs and other efforts.
