

BUILDING To Serve You!

Sifton Branch will serve northern Clark County

Lacamas Community Credit Union (LCCU) broke ground for the construction of its new Sifton Branch on Wednesday, March 14th at 15705 NE Fourth Plain Boulevard in Vancouver.

The approximately 3,700-square-foot facility will open in August 2007, establishing a highly visible Credit Union branch location along the rapidly developing Sifton business corridor.

"We are excited to expand the availability of branch services to our existing members while acquiring new members in the Sifton area," said Kathleen Romane, LCCU President/CEO. "This area is targeted for expansion with more housing and business development planned over the next few years. We welcome the opportunity to serve the Sifton community for their personal and business banking needs."

The branch facility was designed by Waterleaf Architecture & Interiors of Portland, Oregon, and is being built by Team Construction of Vancouver, Washington. Signage is being provided by Garrett Signs of Vancouver.
